What am I looking for?

A step by step approach to research

What am I looking for?

- Define your topic
- Break down your subject area into keywords
- *“Managing behaviour in College science lessons”*
- Manag* , Behavi#r, College*, Science, Lesson*
- You can then use these keywords to retrieve the articles and information that you need

What am I looking for?

- Looking at the history or development of a subject?
- Use Books!
- Looking at the latest news/statistics?
- Use Journals/ Electronic Sources

Where's My Stuff?

- Most Academic Libraries are arranged by the Dewey Decimal System
- DDS is a system of library classification developed by Melvil Dewey in 1876
- Things have changed a bit since then, and there have been 23 complete revisions of the system

Where's My Stuff?

- 'Shelf Mark'
- The shelf mark is usually on the spine of the book

CR	Classroom Resources
612	Dewey Number
GRO	First 3 letters of the Author's Surname
